WHEREAS, capitalized terms used herein and not otherwise defined herein are used with the meanings assigned thereto by the Master Bond Ordinance, as amended; and

WHEREAS, the terms “Revenues,” “Net General Revenues,” “Net Revenues,” “Operating Expenses,” “General Revenues,” “PFC Revenues,” “Special Purpose Revenues,” “Released Revenues” and “1977 Pledged Revenues,” are defined in the Master Bond Ordinance, as supplemented by each of the Prior Supplemental Bond Ordinances, as:

“**Revenues**” means (i) all revenues, income, receipts and money derived from the ownership and operation of the Airport, including without limitation all rentals, charges, landing fees, use charges and concession revenue received by or on behalf of the City, Investment Earnings and all other income received from, and gain from, securities and other investments and amounts earned on amounts deposited in funds and accounts under the Bond Ordinance or otherwise maintained with respect to the Airport, and (ii) all gifts, grants, reimbursements or payments received from governmental units or public agencies for the benefit of the Airport which are (y) not restricted by law or the payor to application for a particular purpose other than payment of certain Bonds or Contracts and (z) otherwise lawfully available for payment of bonds or Contracts; provided “Revenues” includes PFC Revenues. The term “Revenues” does not include proceeds of insurance so long as such proceeds are to be paid to a party separate from the City in respect of a liability or are to be used to repair or replace portions of the Airport. “Revenues” are to be calculated on a cash basis rather than on an accrual basis.

“**Net General Revenues**” means General Revenues, including amounts in the General Revenue Enhancement Subaccount, net of Operating Expenses.

“**Net Revenues**” means, for each category of Revenues, Revenues net of related Operating Expenses; provided for General Revenues, amounts in the General Revenue Enhancement Subaccount shall be taken into account as General Revenues, and for PFC Revenues, amounts in the PFC Revenue Enhancement Account shall be taken into account as PFC Revenues.

“**Operating Expenses**” means all expenses reasonably incurred in connection with the operation, maintenance, repair, ordinary replacement and ordinary reconstruction of the Airport, including without limitation salaries, wages, the cost of materials, services and supplies, rentals of leased property, if any, management fees, utility costs, the cost of audits, Paying Agent’s and Issuing and Paying Agent’s fees, payment of premiums for insurance required by the Bond Ordinance and other insurance which the City deems prudent to carry on the Airport and its operations and personnel, and, generally, all expenses, exclusive of depreciation or amortization, which are properly allocable to operation and maintenance; however, only such expenses as are reasonably necessary or desirable for the proper operation and maintenance of the Airport shall be included. “Operating Expenses” also includes the City’s obligations under any contract with any other political subdivision or public agency or authority of one or more political

subdivisions pursuant to which the City undertakes to make payments measured by the expenses of operating and maintaining any facility which constitutes part of the Airport and which is owned and operated in part by the City and in part by others. "Operating Expenses" does not include any payments on Bonds, Contracts (including continuing commissions or commitment fees, remarketing agent fees, Additional Interest or amounts equivalent to principal on related Bonds) or Other Airport Obligations. "Operating Expenses" are to be calculated on a cash basis rather than on an accrual basis. To the extent Operating Expenses are allocable to particular related facilities, a lien on the portion of Revenues related thereto shall not provide a claim on such Revenues ahead of the use thereof for payment of such allocable Operating Expenses.

"General Revenues" means all Revenues other than PFC Revenues, Special Purpose Revenues and Released Revenues.

"PFC Revenues" means all income and revenue received by or required to be remitted to the City from the passenger facility charges imposed by the City pursuant to the Aviation Safety and Capacity Expansion Act of 1990, Pub. L. 101-508, Title IX, Subtitle B, §§ 9110 and 9111, as amended from time to time ("**PFC Act**"), Part 158 of the Federal Aviation Regulations (14 CFR Part 158), as amended from time to time, and any other regulation issued with respect to the PFC Act ("**PFC Regulations**") and the City Ordinance adopted on February 26, 1997, including any interest earned after such charges have been remitted to the City as provided in the PFC Regulations, all of which may be pledged pursuant to the PFC Act and PFC Regulations §158.13; provided, the term "PFC Revenues" also includes any interest or other gain in any of the accounts or subaccounts created in the Master Bond Ordinance or in any Supplemental Ordinance resulting from any investments and reinvestments of PFC Revenues.

"Special Purpose Revenues" means Revenues arising from or generated by one or more Special Purpose Facilities (as defined in the Master Bond Ordinance); provided if the consolidated rental car facility described in the First Supplemental Bond Ordinance is designated as a Special Purpose facility, the related Special Purpose Revenues shall not include any privilege fee or similar charge assessed by the City or the Airport for rental car concessions.

"Released Revenues" means particular categories of Revenues which would otherwise be General Revenues or PFC Revenues but have been identified in accordance with Section 505 of the Master Bond Ordinance and therefore do not constitute a part of General Revenues or PFC Revenues, until the City has acted to include such categories of Revenues within General Revenues or PFC Revenues again.

"1977 Pledged Revenues" means all revenues generated by the Airport less the reasonable and necessary costs of operating, maintaining and repairing the Airport, including salaries, wages, the cost of materials and supplies, rental of leased property, if any, insurance and other charges as may be properly made for the purpose of operating, maintaining and repairing the Airport in accordance with sound business practice, but excluding depreciation; provided for purposes of this definition, the term "**Airport**" shall include facilities designed as "Special Purpose Facilities" under the 1977 Bond

Ordinance which are not connected with the general operation of Airport by the City and not designated or intended for use directly in connection with the transportation of passengers, baggage or freight or the furnishing of service in connection with such transportation.

Section 2.7. Project Fund.

A special trust fund is hereby created and established and designated as the "**City of Atlanta Airport Notes 2008 Project Fund**" (the "**2008 Project Fund**"). Regions Bank, Atlanta, Georgia, is hereby designated as the Project Fund Custodian (the "**Project Fund Custodian**"), and prior to the issuance of the Notes such bank shall accept in writing its responsibilities as Project Fund Custodian hereunder.

There is hereby established within the 2008 Project Fund a separate account which shall be designated as the "**Airport General Account**" and a second separate account which shall be designated as the "**Costs of Issuance Account**." Within the Airport General Account and the Cost of Issuance Account the Project Fund Custodian shall establish a "Non-AMT Subaccount" and an "AMT Subaccount" in each such account. The Project Fund Custodian, at the direction of the City, may establish other accounts or subaccounts in the 2008 Project Fund from time to time. Disbursements of Note proceeds from the 2008 Project Fund shall be made only for payment of the costs of the 2008 BAN Project and for payment of costs of issuance of the Notes, provided, however, the owners of the Notes shall have recourse against amounts on deposit in the 2008 Project Fund in the event there is a default with respect to the payment of the principal of or interest on the Notes.

(a) Before any disbursements shall be made from the Airport General Account, there shall be filed by the Airport Manager or his designee with the City Finance Manager and with the Project Fund Custodian a requisition for such disbursement stating each amount to be paid, the subaccount from which such payment is to be made and the name of the person, firm or corporation to whom payment thereof is due (or in the case of reimbursement of the City for costs paid by the City, that such amount is due to the City). The Project Fund Custodian and the Department of Aviation shall each maintain records with respect to the expenditures of such funds and the subaccount from which such expenditures have been made.

(b) All disbursements from the Costs of Issuance Account of the 2008 Project Fund shall be made by the Project Fund Custodian upon written direction of the City Finance Manager of the City and applied to the payment of costs and expenses incurred by the City in connection with the issuance and delivery of the Notes. Moneys remaining in the Non-AMT Subaccount and the AMT Subaccount of the Costs of Issuance Account after the earlier of (i) the payment of all costs and expenses in connection with the Notes or (ii) sixty days after the issuance and delivery of the Notes shall be deposited upon direction of the City into the related Airport General Account.

(c) All requisitions submitted to the Project Fund Custodian pursuant to this Section shall be retained by the Project Fund Custodian, subject at all times to inspection by any officer of the City or any owner of a Note, upon reasonable request.

(d) If the Notes are paid in full as to principal and interest from the proceeds of the Series 2009 Bonds, any amounts remaining on deposit in the 2008 Project Fund on such date shall be transferred to the Depository for the Construction Fund for the Series 2009 Bonds to be deposited into the account of the Construction Fund designated as the **“City of Atlanta Airport Series 2009 Construction Fund”** to be created and established pursuant to this Thirteenth Supplemental Bond Ordinance or, if the Notes are paid in full from the proceeds of any other obligations, such amounts may be transferred to any similar fund or account established in connection with the issuance of such other obligations, or if the Notes are paid in full from other lawfully available funds, then the provisions of this Article II as it pertains to the 2008 Project Fund shall survive the payment in full of the Notes and shall continue until all amounts in the 2008 Project Fund have been expended in accordance with this Article II.

Section 2.8. Investments.

Amounts on deposit in the 2008 Project Fund and each account therein may be invested and reinvested by the City in Permitted Investments.

All such investments shall be made so as to mature or be subject to redemption (without penalty) at the option of the owner thereof on or prior to the date or dates that the City anticipates that moneys therefrom will be required. Each investment shall be credited to the fund or account for which it is held, and the income, profits and revenues on such investments shall be credited to the fund or account for which such investment was made.

Section 2.9. Book-Entry System of Registration.

The following provisions shall apply to Notes held in a book-entry system of registration:

(a) Upon the initial issuance, the ownership of each Note shall be registered in the name of the Securities Depository or the Securities Depository Nominee, and ownership thereof shall be maintained in Book Entry Form by the Securities Depository for the account of the Agent Members thereof. Initially, the Notes shall be registered in the name of Cede & Co., as the nominee of The Depository Trust Company. Beneficial Owners will not receive Notes from the Bond Registrar evidencing their ownership interests. Except as provided in subparagraph (c) below, the Notes may be transferred, in whole but not in part, only to the Securities Depository

or the Securities Depository Nominee, or to a successor Securities Depository selected or approved by the City or to a nominee of such successor Securities Depository.

(b) With respect to Notes registered in the name of the Securities Depository or the Securities Depository Nominee, neither the City, the Bond Registrar nor the Paying Agent shall have any responsibility or obligation to any Agent Member or Beneficial Owner. Without limiting the foregoing, neither the City, the Bond Registrar nor the Paying Agent shall have any responsibility or obligation with respect to:

(iii) the payment to any Agent Member, any Beneficial Owner or any other person, other than the Securities Depository or the Securities Depository Nominee, of any amount with respect to the principal of or interest on the Notes.

So long as any Notes are registered in Book Entry Form, the City, the Bond Registrar and the Paying Agent may treat the Securities Depository as, and deem the Securities Depository to be, the absolute owner of such Notes for all purposes whatsoever, including without limitation:

(i) the payment of principal and interest on such Notes;

(ii) registering transfers with respect to such Notes; and

(iii) voting and obtaining consents under this Thirteenth Supplemental Bond Ordinance.

So long as any Notes are registered in Book Entry Form, the Paying Agent shall pay all principal of and interest on the Notes only to the Securities Depository or the Securities Depository Nominee as shown in the Bond Register, and all such payments shall be valid and effective to fully discharge the City's obligations with respect to payment of principal of and interest on the Notes to the extent so paid.

(c) If at any time (i) the City determines that the Securities Depository is incapable of discharging its responsibilities described herein, (ii) if the Securities Depository notifies the City or the Paying Agent that it is unwilling or unable to continue as Securities Depository with respect to the Notes, or (iii) if the Securities Depository shall no longer be registered or in good standing under the Securities Exchange Act of 1934 or other applicable statute or regulation and a successor Securities Depository is not appointed by the City within 90 days after the City receives notice or becomes aware of such condition, as the case may be, then the provisions of these subparagraphs (a) and (b) shall no longer be applicable and the City shall execute and the Bond Registrar shall authenticate and deliver certificated notes to the Beneficial Owners. The Notes issued pursuant to this subparagraph (c) shall be registered in such names and authorized

denominations as the Securities Depository, pursuant to instructions from the Agent Member or otherwise, shall instruct the Bond Registrar. Upon exchange, the Bond Registrar shall authenticate and deliver the certificated Notes to the persons in whose names such Notes are so registered on the Business Day immediately preceding the date of such exchange.

(d) For purposes of the foregoing paragraphs (a) through (c), the following definitions shall apply:

“Commercial Paper Notes” shall mean Balloon Bonds of the City in the form of notes with a maturity of not more than 270 days from the date of issuance and which are issued and reissued from time to time pursuant to a commercial paper program established by the City pursuant to a Supplemental Ordinance.

Section 101 of the Master Bond Ordinance providing the definition of the term “Debt Service Requirement” shall be amended by providing a new subparagraph (vii) to the definition as follows:

(vii) For the purpose of calculating the Debt Service Requirement on Balloon Bonds which are issued in the form of Commercial Paper Notes the assumed interest rate used in such calculation shall be the rate quoted in The Bond Buyer 25 Revenue Bond Index, or such successor or replacement index, for the last week of the month preceding the date of calculation as published by The Bond Buyer, or if that index is no longer published, another similar index selected by the City, or if the City fails to select a replacement index, that rate certified by a Financial Advisor to be the interest rate at which the City could reasonably expect to borrow the same amount by issuing Bonds with the same priority of lien as such Commercial Paper Notes with the same term.

(B) the lien of the Contract shall be in parity with the lien of the related Bonds only to the extent of the payment of principal of, premium, if any, and interest on such Bonds is made through such Contract as evidenced by Reimbursement Obligations or to the extent the obligation is made pursuant to a Qualified Hedge Agreement; provided other amounts due on a Contract may be secured by a lien ranking immediately thereafter with the effect set forth in Section 705; and

Section 404(f) of the Master Bond Ordinance is hereby amended by adding a new paragraph at the end of said subsection as follows:

Notwithstanding anything herein to the contrary, the City may at any time review the status of any subaccount of the Debt Service Reserve Account.
